**MS-RT FORD TRANSIT CUSTOM**

## MS-RT FORD TRANSIT CUSTOM

Flexible, agile and packed with power.

The advanced technology of Ford's Transit Custom meets MS-RT's bespoke sports styling.

## ENHANCED PERFORMANCE

More strength and capability. Yet cleaner and more economical to run. The MS-RT Transit Custom makes sound business sense. Powered by the all-new Ford EcoBlue 2.0 litre TDCi engines, the extraordinary 405 Nm of torque makes it the pro's choice for towing and shifting heavy loads; while the outstanding fuel efficiency saves you pounds. Choose between 2.0 TDCi 170 PS 6-speed manual or 6-speed automatic.

## UNIQUE AND PRACTICAL

Look good and get the job done. Combine the maverick character of the rally course with the versatility you expect from a Transit. MS-RT's state-of-the-art exterior customisations include MS-RT bespoke body styling and daytime running lights, plus the MS-RT Sports Exhaust System.

## NEED MORE STOWAGE? WANT EXTRA SEATS? SELECT THE VARIANT THAT SUITS YOU:

The Van is a functional load carrier, with a full-height, full-width bulkhead separating the loadspace from the cabin. Comes in two-seat and three-seat cabin options. The Double Cab-in-Van offers an extra row of seating for three passengers, as well as cabin and loadspace. Both five or six-seater options available.

And there's more. Pick-out the set-up that works best for you, including:

- Tailgate or barn doors (hinged rear-doors)\*
- Long-wheel base or short-wheel base
- Single or double side-loading doors\*

\*Factory ordering may apply

## UNCOMPROMISED COMFORT

MS-RT's bespoke interiors – created by hand for you – mean this tough tank doesn't compromise on comfort. Enjoy the luxury of a bespoke full nappa leather interior with blue top stitching and a MS-RT sports steering wheel. Take the strain out of driving with the 4" TFT touch screen with satellite navigation\* and rear-view camera\*. And cold days aren't a chore with the heated drivers seat and air conditioning.

Choose the optional interior pack boasting carpet-lined loadspace, the convenience of in-vehicle wi-fi and interior mood LED lighting. This is your vehicle. So you make the choices.

All customisations available in all variants of the MS-RT Custom Transit's flexible interior layout: 3-seat Van; 5-seat Double Cab-in-Van (with two-seat cabin); and 6-seat Double Cab-in-Van (with three-seat cabin).

\*Factory ordering may apply
