MS-RT FORD TRANSIT CONNECT

MS-RT FORD TRANSIT CONNECT

A compact van full of surprises, designed to work as hard as you do.

The MS-RT Transit Custom Connect fuses motorsport passion with the flexibility you need. Finished off with a bespoke, luxury interior.

ROAD TO TRACK

Whether on the road or off the beaten track, get the job done with Ford's 120ps TDCI diesel engine. Available as either a manual or automatic.

SPORTY YET PRACTICAL

A three-seat van with a touch of class. MS-RT's state-of-the-art exterior customisations include a MS-RT front bumper and daytime running lights, plus the bespoke MS-RT twin sports exhaust system.

Inside, store more with the generous loadspace. There's room to fit two Euro pallets and items up to three meters long. Plus an ingenious load-through bulkhead lets you stow longer loads safely.

SUPREME COMFORT

Enjoy the luxury of a bespoke full nappa leather interior with blue top stitching and a MS-RT sports steering wheel.

Take the strain out of driving with the 6” colour touch-screen featuring satellite navigation and rear-view camera.

Loadspace mood LED lighting creates a unique environment.

Don’t be a slave to the weather thanks to a heated drivers seat and air conditioning.
