

## Grease Special

### New Holland Grease Gun and cartridge special offer

- The powerful Alemite A500 grease gun features three-way loading (bulk, cartridge or pressure fill)
  - The longer lever design gives it the pressure capability of 10,000 psi.
  - Bleed Valve to eliminate air pockets
  - Plastic handle grip
  - Deluxe pull handle and positive lever stop
  - Pressure tested heads for safety and durability
  - Durable finish and long lasting
  - Hardened piston to maintain high working pressures
- Complete with rigid extension and hydraulic connector

**Kit includes 12 x New Holland recommended multi purpose grease cartridges**

If purchased separately Haynes RRP £80.24 excl Vat

**Our Special offer price £44.18** Excl Vat
