

Vehicle Protection Plan

Vehicle Protection Plan

It's no surprise that studies show most major repairs are needed after the factory warranty has expired. That means you'll have to deal with all the inconvenience, time, energy, and expense without any help from your vehicle's original factory warranty, until now.

When you choose the **Vehicle Protection Plan** that's right for you, you can be covered for up to 100,000 miles, depending upon the age and mileage of your vehicle. You can select from a national network of over 5,000 authorized service centers. And if you buy protection now, you can include the cost of the plan you choose in the financing of your vehicle.

Five 5 coverage levels*

Powertrain Coverage
Silver Coverage
Gold Coverage
Gold Plus Coverage
Platinum Coverage

* Coverage level availability may be limited based on the age and mileage of your vehicle.

New vehicle protection plans are available that provide additional protection beyond your vehicle's manufacturer's warranty ("Wrap Protection").

benefits

The five plans come with the following additional benefits to keep you moving:

RENTAL CAR COVERAGE	Reimbursement up to \$35 per day for up to 10 days.
TOWING COVERAGE	Payment of up to \$75 in towing charges per covered mechanical breakdown.
TRAVEL COVERAGE	If you're more than 100 miles from home when you break down, we will pay up to \$75 per day, up to \$375 per occurrence, for food and lodging.
FLUIDS COVERAGE	Replacement of necessary fluids, oils, greases, lubricants, and approved air conditioner gases that must be replaced in conjunction with a covered repair.
