Adaptive Cruise Control

Set your desired speed and Adaptive Cruise Control maintains a pre-set distance from the vehicle in front. If the sensors detect traffic slowing ahead, your vehicle automatically slows down. When traffic has cleared, your vehicle accelerates back to cruising speed. (Option on Trend)

Design features

Wheels

Never misfuel again

Roll Stability Control^(Ø1)
Ford's unique roll-rate sensor helps the Roll Stability Control system to keep the tyres grounded under conditions of high centre of gravity and when driving through negative camber turns. (Standard)

Hill Start Assist^(Ø2)
Designed to temporarily prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears, so is ideal for towing and pulling heavy loads. (Standard)

Trailer Sway Control^(Ø3)
When it detects trailer sway, the system is designed to reduce engine torque and apply the brakes to the appropriate wheel(s) to help maintain control – standard with Ford tow bar.

Load Adaptive Control^(Ø4)
Designed to adjust the responses of the ESC^(Ø5) system to compensate when the vehicle is unladen, partially- or fully-laden. (Standard)

Turning circle (m)

The fuel economy figures quoted in the table below are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

Making life easy

Our range of finance, service and assistance options is designed with just one thing in mind – making life easy for you.

Ford Transit24

At Ford we recognise the importance of minimising downtime, inconvenience and expense – that’s why we provide first-class aftersales support.

When it comes to the service, maintenance and repair of your Ford commercial vehicles, look no further than your nearest Transit Centre. Dedicated to looking after your vehicle, Transit Centres offer specialised workshop equipment, tools and training, and can look after all your service, maintenance and warranty work.

Convenient servicing

While-you-wait servicing Your commercial vehicle can be serviced when it suits you. Late night service appointments are available at least once a week and we respond to 1link online service booking requests within twenty minutes.

Collection and delivery This can be arranged at the time of your service booking for locations within a reasonable travelling time. So that it looks its best, your vehicle will be washed.

Fleet National Pricing Maximum recommended pricing for fleets with over 25 vehicles ensures you get the best price for routine services and fixed- content job.

MOTs and more Transit Centres can handle MOTs (including Class 5 and 7 tests), tachograph servicing and speed limiting (VOSA approved).

Other benefits

Ford parts availability Ford will endeavour to ensure any parts required will either be in stock or delivered anywhere on the UK mainland by 9am the next working day.

Genuine Ford parts quality All parts are designed and engineered by Ford, to Ford standards. Parts fitted to a vehicle outside of warranty carry a ‘fitted in service’ parts warranty.

Ford diagnostics For speedy and accurate fault diagnosis, we provide a sophisticated, internet- linked vehicle diagnostics system.

Ford trained technicians Ford commercial vehicle dealers have Ford-trained technicians, supported by online technical information and a Ford technical hotline.

Unscheduled repairs When your commercial vehicles aren’t working, neither are your drivers. Our priority is to get your vehicle back on the road as quickly and as efficiently as possible.

Priority treatment for urgent repairs Initial diagnosis on urgent (vehicle off-road) repairs is carried out on arrival, with parts ordered within two hours of arrival – especially helpful when a replacement vehicle won’t do. We aim to complete most repairs the same working day.

Dedicated backup from Ford

Ford Fleet Electronic Recall Programme This simplifies the process of recalls and improves communications with the operators of affected vehicles.

Ford Fleet Service Centre A dedicated team of experienced service advisors to assist with your aftersales issues.

Ford Fleet Accident Management Whatever the make of the vehicle, we offer a free, ethical and comprehensive accident management programme.

Efficiency, accuracy and convenience are at the heart of the Ford Transit24 commercial vehicle service promise. So, whether it’s servicing, maintenance or repair you need, be sure to come and see us. For more information and to find your nearest Transit Service Dealer, visit the aftersales support section at www.ford.co.uk/fordfleet

Commercial Vehicle Finance

When it comes to financing your Ford Commercial Vehicle, our size and expertise means we’re well placed to provide you with a wide range of finance products.

Ford Credit*: Provides a range of finance plans for Commercial Vehicle customers interested in owning their vehicle.

Ford Lease*: Specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business. Business users only.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.

Ford and BP – working together to reduce fuel consumption and emissions.

When you have finished with this brochure please recycle it.
